

sntvdigital

2018 coverage

Unrivalled highlights coverage

sntv offers more cleared highlights from a wider range of sports than anyone else, offering the greatest breadth of sports coverage worldwide.

Videos that inform and engage

We provide our clients with the most relevant and engaging videos, either fully customisable or ready to publish directly to your audience.

Global and regional sports video news

Our dedicated teams fully understand what our clients are looking for, and recognise what content will drive conversations on both an international and regional level.

Contact our 24-hour Sports News Desk on +44 (0) 20 3314 5770 for detailed information about our coverage.

Please note that territorial embargoes apply and are subject to change.

sntv news coverage is more thorough, more nuanced and better informed than any other sports video offering, with detailed scripting information to shorten your turnaround time.

Trusted service

All **sntv** videos are expertly sourced, cut and made available to clients as quickly as possible, providing reliable, accurate and fast content delivery.

Around the clock service

One of our core values here at **sntv** is to offer clients a smooth and responsive service. Our 24-hour Sports News Desk is always available to help and with dedicated sports journalists strategically located across seven regional offices worldwide, we provide native language soundbites and are able to cater to regional requests.

sntvdigital

Content

sntvhighlights

Daily highlights from the most popular and talked about sports events worldwide.

sntvnews

Daily videos featuring the most topical news from the world of sport, including breaking news, press conferences, native language soundbites and fan reaction.

Formats

sntvraw

Fully customisable, newsroom-ready, unbranded content of 1-6 minutes' duration.

sntvready

Relevant, professionally edited videos of 60-90 seconds' duration, which are ready to publish direct to your digital platforms and social channels without any additional production.

This includes fully produced features that are cleared to use globally and focus on the big conversation drivers of the moment, especially in soccer.

+ Upgrade Options

+ sntvevents

As part of **sntv** broadcast you get access to our unrivalled coverage of key global events including the FIFA World Cup, Summer Olympics and UEFA European Championships.

+ sntvarchive

Extended rights on all **sntv news** content beyond the standard 14-day window.

+ sntvlive

Access to live news coverage from selected sporting events.
